## EIP - Environmental Investment Partners III

---

### BILATERAL MEETINGS

10.00 a.m. - 13.00 p.m.

14.00 p.m. - 17.00 p.m.

**DESCRIPTION** Venture Capital private equity firm. Founded in 1997 in the United States and Poland, the EIP funds (I, II, and III) have sought to focus their investment on environmental and renewable energy companies in Central Europe with a special emphasis placed on Poland. EIP prefers to invest between €0.1 – 3 million per company, and hold that investment from two to seven years. In the course of EIP's history since 1997 it has founded or developed over 20 companies of which three have been in wind, three in solar, three in water or waste water, two in biogas, two in solid waste, one in district heating, one in environmental construction and one ESCO.
